Huntingdon, PA 16652

PER - Wm
DEPUTY CLERK

I hereby assert that Judge Mannion notice of action, no. 1:01-1283, I believe my complaint was not stood, which I prevailed against prison officials, and Morgan, which I've been tortured for years and I under constant danger, and currently, I found no of file play by prison staff, Greene C/O of HBK v S, on the morning shift, which I found a piece and my food a inch or so long, and this incident between the 27 or 28 of July 2001, and the 28 which was put and my potatoes deliberately under deliberate indifference act, prohibits or of state to cause pain inmate or unnecessary which this act was life threatening to me fear for my life, and I need help, also, I see

2

encased and envelope is the object, and not
 of my info of proof, further, I sent it to
the Federal Bureau of Prison 320 First St
N.W. Washington. DC 20534 And I request
 the staff of that office, to forward it to
 your office, also its impossible for me to
 a weapon add the segregation unit, which
 prisoners are housed for ~~disciplinary~~ institutional
 violations are security reason, but and my
 it racist motivation, and under friendly
 ing, towards me, further the only way
 could have got this metal object, is the
 Prison officials, and I truly doubt it

Finally, I want action against the
 whole body of this department for
 spiracy, reason, last week the Grievance
 agent was on the block, and I tried to
 her, attention and she ignored me, and
 the object and my hand, which I no. was
 deliberate act to cover it up, which sh
 very unprofessional, also, my counse
 me. moist witness this object, And
 after, she left off the block the secur
 came on and I heard it so they would
 it, and they didn't

I LL
